Memorial Day Event

L-R: Officer Josh Day, Charger and Officer Scott Huteson

Clean-up Get-Togethers at Milwaukie Pioneer Cemetery Scheduled, 2010... (weather permitting)

Hope to see everyone turn-out!

If you missed coming to Milwaukie Pioneer this year... the grounds looked very nice...
(Unfortunately, due to the

weather and a lack of numbers of volunteers, we had the final clean-up work done by Hillside Landscape. While it was somewhat costly to get the usual work done, the Board felt it was necessary in order for everything to look its best for Memorial Day.)

Many thanks to the Police K-9 units of both Milwaukie and Lake Oswego... for the demonstration of how K-9 is used for large spaces such as our Cemetery, when the need may arise.

Officer Josh Day and K-9 Officer Charger, from Lake Oswego, and Officer Scott Huteson, from Milwaukie K-9, gave not only a practical demonstration of how K-9 dogs work, but also spent considerable time answering questions and letting the Scouts and parents get up close and personal with a very friendly Charger.

Thanks to both agencies for being on hand... folks were mighty impressed!

Thanks to Mike's Porta' Potty, Oak Grove Garden Club, American Legion Post #180 & Scout Troop # 149 for their members' efforts to help make everything come together.

Current Board of Directors:
Keith Neubauer—Acting President 503-659-8087 (see reverse)
Dolly Macken-Hambright—Sec/Treas & Trustee 503-659-8908
J.R. Hambright—Cemetery Consultant 503-659-7582
Carol Wiley—Trustee 503-654-7034

NEWEST ADDITION... in February this marker was installed over the new inurnment of the Grand Daughter, Maryann Wright Palm, of Charles and Ida Fowler, at their location near the West-side fence.

The family was on hand for the graveside service.

We have received several inquiries about placing markers for those graves which have none at this present time, either due to lack of funds at the time of burial, acts of vandalism, or just the eventual disintegration of wooden markers. We have a protocol in place for just such inquiries, so don't hesitate if you have questions. We can accommodate new ash burials, also, if the deceased has family members already at the Cemetery. All such are handled through donations, the proceeds of which are used for future/ongoing maintenance.

Milwaukie Pioneer Cemetery now has an address...

after 150+ years the City of Milwaukie has assigned an actual street address to Milwaukie Pioneer. Don Simonson of Public Works Milwaukie called to let us know the new street address is **9515 SE 17th Ave., Milwaukie, OR.**

The Association will not be receiving mail there, but perhaps the location will now come up on some of those computerized map services, if it didn't before.

■ **Mark Neubauer, our Association President, is currently at Fort Leonard Wood in Missouri learning the in's and out's of the National Guard...** the remaining Board members have appointed his Dad, Keith Neubauer (503-659-8087), as Acting President during the time he will be gone, which will be most of 2010, off and on.

■ Keith and his wife, Kathy, have been staunch supporters of the Association since we began, along with most of the rest of the Neubauer Family.

■ Thanks to Keith for stepping up and filling those shoes for the good of the organization.

■ Mark will remain as one of the Trustees, and will resume his President position when he returns on a more permanent basis.

We have received an inquiry about a new sign for the Cemetery, to replace the existing sign... apparently a Scout would like to take on the project in order to achieve his Eagle Scout rank.

Hopefully, we will be hearing more about this in the future as he follows through. The Board has a couple of pleasing designs in mind which will utilize the existing side posts, as they seem to still be in good shape.
