Vol. 2, Issue 4—Forth Quarter, 2005

As the year draws to a close, it is time to reflect on the *accomplishments* of our Cemetery Association and what *goals* we have into the future:

Accomplishments—

- ⌘ We have completed the legal aspects of removing the cemetery from governmental control;
- ⌘ We have formed a non-profit organization such that dues and donations are tax-deductible;
- ⌘ We have held several clean-up get-togethers at the cemetery and have made some strides in cleaning the outer perimeter;
- ⌘ We have had equipment, benches, funds and lots of time donated to further the on-going maintenance of the cemetery; and
- ⌘ We have upgraded the cemetery records in order to further our on-going research into the persons and families of those interred.

Goals—

- ⌘ Seek help with the pervasive vegetation around the perimeter of the grounds outside the fence in order to conserve the fence, precious volunteer hours and dump fees;
- ⌘ Have more future events that will enhance the knowledge of Milwaukie residents as to the nature of this treasure; and
- ⌘ Seek more volunteers and sources of funds which will allow us to provide for more restoration and protection of stones and other physical aspects of the cemetery.

It takes volunteers to keep the grounds nice...

we appreciate ALL our volunteers' efforts...

Just a quick glimpse at what we are working to preserve... the marker at Left lower of this group is one many of our Civil War Veteran stones...

The grouping to the Right illustrates why we need to take steps to preserve what we have and restore what we can... Note the large cracks in the 2 markers and the baby stone is missing completely...

HAPPY HOLIDAYS AND ALL THE BEST TO YOU AND YOURS FOR 2006
